At Your Service

On November 15, Bently Nevada opened a new branch office near Sydney, New South Wales, Australia. An experienced group, consisting of Ramy Filo, General Manager; Glenn Harvey, Sales Engineer; Brian Kefford and Peter Choate, Product Service, have been chosen to staff this office. This new office allows us to better serve our Australian customers by providing Sales, Product Service, Machinery Diagnostic Services, Technical Training, and Design and Installation Services at one location.

You can contact our new office at the following address:
